EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with Mr. Berridge on 06 September 2006. The application is amended as follows:

Cancel Claims 40-56.

Amend Claim 32 as follows:

32. A measuring system for calibrating a machine, the measuring system having at least two housings, comprising:

a base attachable to a first surface of the machine on which a first housing may be mounted;

a second housing attachable to a second surface ~~[[on]]~~ of the machine, said first and second surfaces of the machine being moveable relative to one another;

said first and second housings each being provided with a complementary part of a first mounting device, such that when the two parts of the first mounting device are connected together, the housings are mutually aligned; and

wherein at least one surface of the base and at least one surface of the first housing are each provided with a complementary part of a second mounting device, such that when the two parts of the second mounting device are connected together, the first and second housings may be aligned in any of a plurality of predetermined directions~~[[,]]~~ without requiring realignment of the first and second housings~~—being required~~.

Allowable Subject Matter

2. Claims 32-39 are allowed.
